

INVITATION TO AN EXCITING

Cyber Crisis Management Round Table

Cybertech Tokyo
30 November 2017

Dear Guest

Invitation to a Cyber Crisis Management Round Table.

Major General (Res.) Yiftah Ron-Tal, the Chairman of Israel Electric Corporation (IEC) and, Mr. Yosi Shneck, SVP, Information & Communication, CCO, have the honor to invite your Excellency to an exciting **"Cyber Crisis Management Round Table"** on November 30th at 15:00 - 16:30, at the New Otani hotel, Tokyo. This will be based on real - life events and the Cyber Crisis Management method and experience, developed by the IEC as one of the most cyber-attacked companies worldwide.

The C-level participants will discuss different angles of organization cyber crisis, including: Physical and financial consequences of the attack, regulatory authorities, law enforcement, stock exchange, social media, press, and the hackers themselves in a concentrated, high energy discussion.

Beside the round table participants, an audience of up to 50 persons shall watch the action, and have the ability to ask questions.

The outcome of the event shall be determined by the participants, led and advised by the Chairman of the IEC and by the SVP & Cyber Chief Officer of the IEC.

Any further inquiries shall be gladly answered at yosi.shneck@iec.co.il

Looking forward to meeting you at the **IEC Cyber Crisis Management Round Table - Cybertech Tokyo 2017**

Sincerely yours,

Major General (Res) Yiftach Ron-Tal
