

Israeli Wine Seminar and Tasting (entry free)

Embassy of Israel in Japan will organize the Israel Wine Seminar and Tasting in Tokyo.

Israel Wines are highly valuable compared to other worldwide wines. The Mediterranean climate of Israel, the sun exposure, its terroirs and savoir-faire make of this country a great wine producer. Wine have been produced in Israel during more than 3,000 years until the 7th century. After then the Production dramatically decreased to start over 120 years ago.

The volume and value of Israel Wines imported in Japan doubled in the past 5 years. Israel Wines are progressing !

17 wineries will be presenting their wine offer during the tasting, the seminar will be presented by Mr.Victor Schoenfeld as Chief Winemaker, Golan Heights Winery and Mr.Alex Haruni as Owner and CEO of the Dalton Winery, Regular judge at the International Wine Challenge in London who are coming to Japan specially to introduce the attractiveness of Israel Wines. Do not miss the occasion !
