# Invitation

## THE LÄND meets Israel

### German Israeli Cyber Roundtable

---

**Virtual event** on how to secure critical infrastructure?

[Registration](#)

Cybersecurity and related challenges are evolving rapidly. For this, this event, jointly organized by the Economic and Trade Mission at the Israeli General Consulate in Munich, the CyberForum and Digital Hub for Applied AI Karlsruhe in Germany, aims at discussing the current applications of cyber security for critical infrastructure in Germany and Israel. Industry experts and start-ups from both countries will discuss opportunities, challenges, and innovative strengths.

Benefit from taking advantage of knowledge and ensure an increase in knowledge in your company!

**Participation is free of charge.**

Prior registration is required.
