## Vaccine Manufacturing Facility in Israel Project

### Approach to Market (AtM)

1. Pursuant to the Approach to Market in relation to a Vaccine Manufacturing Facility in Israel, published by the State of Israel on November 18<sup>th</sup>, 2022 ("AtM") and in accordance with section 4.7 thereof, the State wishes to notify Participants as follows:
  - 1.1. The deadline for submission of Responses specified in section 4.1 is hereby extended to **March 17, 2022**.
  - 1.2. Participants who are interested in holding a personal meeting with representatives of the State of Israel prior to submission of their Response, are invited to contact the State in writing. Such meeting will be held through a video conference call.
2. Responses to the AtM, as well as any questions or requests, should be submitted to the following address: [Israel-Vaccine@inbal.co.il](mailto:Israel-Vaccine@inbal.co.il)
3. The updated AtM is available for review at the Website at: [https://www.gov.il/en/Departments/publications/Call\\_for\\_bids/kol-kore-approach-to-market](https://www.gov.il/en/Departments/publications/Call_for_bids/kol-kore-approach-to-market)
